

## Overview of our cookies

Cookie-Name	Kategorie	Funktion	Speicherdauer
<b>fe_typo_user</b>	Necessary	This cookie is set by default by our administration program (CMS) TYPO3. It is basically used to assign the session to a user. It is possible to save user preferences. The cookie is usually deleted at the end of a browser session. It contains a random identifier and no specific user data.	End of session
<b>cookiebar</b>	Necessary	This cookie saves the user decision regarding the setting of cookies in our cookie banner.	1 month
<b>MATOMO_SESSID</b>	Necessary	This cookie is set by the statistics / analysis tool Matomo (formerly Piwik). It offers the function provided by Matomo to deactivate or activate Matomo. If the user decides to deactivate or activate, Matomo sets additional cookies ( <b>mtm_consent</b> , <b>mtm_consent_removed</b> , <b>mtm_cookie_consent</b> or <b>piwik_ignore</b> ) to save whether tracking should take place.	End of session, piwik_ignore_ 24 months
<b>_pk_ses.77.6a78</b>	Statistics	This cookie is set by the statistics / analysis tool Matomo (formerly Piwik). It is a short-lived cookie that is used to temporarily store data for the visit.	30 minutes
<b>_pk_id.77.6a78</b>	Statistics	This cookie is set by the statistics / analysis tool Matomo (formerly Piwik). It is used to save some details about the user, e.g. B. the unique visitor ID.	13 months
